For power connections, contact Rocky Mountain Power & Light at 1-888-221-7070. It is the applicant's responsibility to obtain a work order number.

I, _____, the undersigned, hereby request utility connection(s) be made to/for a specified structure for the purpose of construction.

I understand and agree that use and/or occupancy of the structure shall not be permitted for any purpose other than that of construction until the required approvals from all departments have been granted, a building permit pursuant to Cache County Ordinance Title 15 has been issued, and the final inspection has been approved and/or a certificate of occupancy procured.

I understand and agree that no connection to any utility shall be made without a permit pursuant to Cache County Ordinance 15.16.030*.

I understand and agree that the failure to comply with any part of this agreement, by myself, or those in my charge, may result in the following action(s) to be taken against me by Cache County:

- 1. Notify the State of Utah Division of Occupational of Professional License to appropriate action against my license.
2. Preclude any approval of utility connections related to any other active permits held by me.
3. Record a Certificate of Non-compliance against the property.
4. Request the utility company remove all utility connection.
5. Take legal action against me personally pursuant to Cache County Ordinances.

I furthermore agree to hold harmless Cache County and the utility company for any loss, damages and claims arising from the enforcement of this agreement.
